COMPANY PROFILE

International Freight Services, Inc. has been in business since 1971. We provide Door-to-Door, full-service logistics. We have a full range of services while still giving our clients personalized attention. The following are some of the services that I.F.S. offers:

EXPORT SERVICES

- Air Freight Forwarding and Air Consolidation
- Ocean Freight Forwarding and Ocean Consolidation
- Assembly and Project Shipping
- Carnet Handling and Letters of Credit
- Coordination of Inland Cargo
- Out of State Shipments
- Export Packing and Household Goods Moving
- Marine Insurance
- Perishable Cargo Expediting
- Hazardous Materials Shipping

In addition to the usual European, Asian, Australian, Far Eastern and Latin American destinations, we also specialize in: Saudi Arabian and Persian Gulf Letters of Credit, Spanish Documentation, Project Licenses, Distribution Licenses and Export Licenses.

IMPORT SERVICES

- Customs clearance on Air and Ocean cargo. We are fully computerized and are on line with U.S. Customs via the Automated Broker Interface (A.B.I.) system.
- De-Consolidations, Distribution, and Domestic Forwarding by land and air to all destinations.
- Customs tariff classification research and consulting. We have two licensed customs brokers on staff.
- Preferred documentation routing to expedite cargo clearance and avoid delays.
- Temporary Import Bond (T.I.B.) and Foreign Trade Zone (F.T.Z.) shipments
- Repairs and Returns (9802.00.40) and Foreign Assembly (9802.00.80)
- Penalty Negotiation: Have you been penalized for the action/inaction of another broker? We can assist in mitigating U.S. Customs penalties in the Bay Area or in other ports.
- Special Services: Perishable Commodities customs clearances and distribution, door to door. We also have experienced personnel who excel in electronics commodity logistics.

“Established 1971”

DUTY DRAWBACK SERVICES

Duty drawback can potentially return a very significant portion of your duty expenses. Our drawback specialist has over 15 years experience (at Unisys Corp. and Qume) and can handle all your Same Condition and Manufacturing Drawback needs. This service has **no** start up cost to you.

DOMESTIC FORWARDING SERVICES

- Air Freight Services Door-to-Door for all fifty states and Puerto Rico.
- Transcontinental Motor Freight
- Local and State-Wide Trucking
- Delicate Electronics and Computer Forwarding
- Air Ride Equipment and Special Project Shipping
- Perishable shipping
- Convention and Trade Show Shipping and Handling

COMPANY OWNED FACILITIES

Our office and warehouse are located one mile from San Francisco International Airport. We have over 7,000 square feet of office and warehouse space. We have further access to over 50,000 square feet of warehouse space, when required.

MESSENGER SERVICES

We maintain daily messenger service to downtown San Francisco and the East Bay to expedite document transfer, bank business and U.S. Custom's clearances. Local messenger service to and from San Francisco Airport/U.S. Customs is provided by our own employee, who personally expedites your documentation. Maintaining our own in-house messenger, rather than relying on a messenger service, greatly facilitates the speed of your clearances and ensures the best turn around time possible.

PERSONNEL

Our staff includes twenty experienced professionals to serve you. Most of our associates have been with IFS for more than five years, some for over twenty years.

Export Department

- Paul Ambler, Export Manager, has been in this department since 1976. Paul has strong expertise in export licensing and consolidations.
- Rick Di Maio has been with IFS since 1989.

Import Department

- William Tinney, Import Manager has over twenty years experience in all phases of U.S. Customs regulations. Bill has been with IFS since 1986.
- Anne Dungca, Ocean Import Supervisor has been with IFS since 1991.

Domestic Department

- Hil Chan, Domestic Manager, has over ten years experience and has been with IFS since 1992.

Accounting

- Leonard Santos, Controller, has over thirty years experience.

Project Traffic

- Achim Biller has over 30 years experience in project traffic, including export documentation, packing, crating and hazardous material/dangerous goods handling.

Administrator

- Sonia Molo has over 20 years experience in the transportation industry and has knowledge of shipping household goods and personal effects shipments.

Special projects are implemented by Joe Di Maio, President of IFS. Joe has over 35 years experience in all phases of transportation.

BANK REFERENCES

IFS is a financially stable company with a strong capital base. Bank references may be obtained from Borel Bank & Trust Company. Please contact William Bordin, Vice President at 650-378-3636 or williams@borel.com if you have any questions.
